Students who are or appear to be under the influence of alcohol or illegal drugs on school property, at school-sanctioned activities, when being transported in vehicles dispatched by the District, or at any time or in any place where the student's conduct interferes with or disrupts the educational program or operations of the District will be handled in the following manner:

 - b. When necessary, standard emergency procedures will be followed.
 - c. Parents must be contacted as soon as possible. When contacting parents or the designated person on the student's emergency card, advise them that the child is displaying unusual or dangerous behavior. Describe the behavior but do not attempt to diagnose the student's condition.
 - d. While waiting for parents or further medical aid, the student will not be left alone, but placed in a quiet situation where the student will remain under observation.
