# Proposed Superintendent Goals

# Superintendent Contract: Relevant Sections

## 5. Goals and Objectives

Unless otherwise agreed in writing by the parties herein, on or prior to each 31st day of October within the term of this Contract, the Board and the Superintendent shall meet to establish and agree upon reasonable goals and objectives to be in effect for the succeeding school year for the Superintendent. Said goals and objectives shall be reduced to writing and be among the criteria by which the Superintendent is evaluated as herein provided.

## 6. Evaluation

6.1 The Board shall evaluate and assess in writing the performance of Superintendent at least once during the term of this Contract during each school year in which this Contract continues. This evaluation and assessment shall be based upon Superintendent's job description, and upon any goals and objectives with performance standards as agreed by the Board and Superintendent. At a minimum, this evaluation shall include a meeting between Superintendent and the Board in October of each year of this Contract to conduct the formative part of the evaluation and a meeting in March to conduct the summative evaluation.

# Proposed 2023-2024 Superintendent Goals

GOAL 1:  
Academic Achievement  
and Growth

GOAL 2:  
Climate and Culture

GOAL 3:  
MLO/Bond  
Groundwork and  
Execution

GOAL 4:  
ADB-R: Access to  
Opportunities for all  
Students

# GOAL 1: Academic Achievement and Growth

**Objective:** Improve academic growth and achievement for students over time.

- Establish 2023-2024 system-wide priorities to promote student success.
- Reinforce system-wide priorities throughout the school year.
- Align system supports and resources with the priorities.
- Focus on supporting interventions, through resources and training, for core reading programs.
- Focus on the use of core program assessments to improve student learning.
- Focus on improvements in writing.
- Refine and expand pathway opportunities for students.
- Engage in statewide work around accountability.

## GOAL 2: Culture and Climate

**Objective:** Create and foster a work environment that will increase employee satisfaction and reduce turnover\*.

- Consistently promote organization-wide practices around climate and culture norms through expectations for leadership and personal conduct.
- Create district-wide staff, student, and parent surveys to collect baseline data by the end of the school year.
- Follow board policy regarding the chain of communication for staff, parent, and community grievances.
- Offer open forums to employees and be willing to listen to and compile updated feedback.
- Continue to explore creative employee retention strategies.
- Demonstrate transparent communication. Communicate honestly and regularly with staff, parents and community. Clearly communicate challenges and how they are being addressed.
- Continue to work to improve organization turnover.\*

*\*Understanding that turnover due to lack of competitive pay may not be in the superintendent's control.*

## GOAL 3: Bond/MLO Groundwork and Execution

**Objective:** Lay the groundwork for a successful bond and mill levy override in November 2023 and execute on the bond/MLO plan in the event of a successful election.

- Continue to deliver and refine messaging around our district's funding challenges and needs.
- Execute the comprehensive funding communication and outreach plan.
- Continue to educate school, district, business, political, and community leaders on Douglas County School District's funding and the impacts on our system and community.
- Create a transparent and clear bond/MLO plan.
- Should funding pass in 2023, transparently execute the use of the funding per the plan.
- Should funding not pass, create a comprehensive financial plan for moving the district forward.

## GOAL 4: ADB-R: Access to Opportunities for all Students

**Objective: Evaluate current state and develop an action plan to increase access to opportunities for ALL students.**

- Engage the Equity Advisory Council to evaluate our current state.
- Increase knowledge and development around IMTSS.
- Increase awareness with students and families of opportunities.
- Incorporate data into Monitoring Reports.
- Begin assessment regarding the impact of weighting honors courses.
- Begin assessment regarding financial literacy access in high school.

A photograph of a graduation ceremony. In the foreground, the backs of several graduates in blue and white gowns are visible. They are throwing their blue mortarboards into the air. The caps are scattered throughout the upper half of the frame against a clear blue sky. The overall scene is celebratory and bright.
