Fiscal Year 2023-2024

0900: Douglas County Re 1

Overview

This form is required pursuant to Section 22-11-206(4), C.R.S. The school district must submit an assurance form certifying the school district's substantial and good-faith compliance with the a) School District Budget Law, b) Financial Policies and Procedures Act, c) Public School Financial Transparency Act, and d) accounting and reporting. The Colorado Department of Education monitors the district's compliance by reviewing the district's finance data pipeline submission, audited financial statements, financial transparency website, and responses from management to inquiries related to those reviews. Good-faith compliance is determined, in part, by the assurances provided below as certified by those charged with governance.

Additional information for charter school authorizers

The assurances provided with this form are also applicable to all charter schools unless a separate CHARTER FORM AFA2024 is executed by or on behalf of a charter school and provided to CDE. The submission of a CHARTER FORM AFA2024 by an authorizer communicates that the authorizer does not provide the assurances for that charter school within the authorizer's FORM AFA2024. If applicable, CHARTER FORM AFA2024(s) should be submitted with an authorizer's FORM AFA2024.
