

DCSD Board of Education: Student Pathways and Programming Update

October 2023

DCSD Mission Statement

The mission of the Douglas County School District (DCSD) is to provide an educational foundation that allows each student to reach his or her individual potential.

Introductions

School Leadership

Danny Winsor

Dan McMinimee

Assistant Superintendent

EDOS: Pathways, Choice and Alternative Education

Postsecondary Readiness

Aimee Barker

Matt Chambliss

Kathy Frommer

Krista Tongren

Postsecondary Readiness Coordinator

Concurrent Enrollment Specialist

Work-Based Learning Specialist

Career and Technical Education Specialist

DCSD Legacy Campus

Dr. Rex Corr

Katie Winsor

Director

Assistant Director

BoE Ends: Academic Excellence

- A. All students have equitable access to a Douglas County public school that promotes growth in their cognitive, physical, social and emotional needs and builds on their strengths.
- B. Academic expectations are clearly articulated and supported with an appropriate curriculum that includes content, scope and sequence.
- C. Every student has an equitable opportunity to acquire the knowledge and skills that will ensure performance at his/her highest individual potential.
- D. A diverse set of educational options are provided which enables students to pursue different post secondary options (e.g. college, career and technology education, independent living, military or direct entrance into the workforce).
- E. Students graduate with acquired content and cultural knowledge, workforce readiness, interpersonal skills, civic responsibility, global awareness, independent living and an understanding of the essentials for health and wellness.

Why Does it Matter?

Priority Learning Outcomes

1. Promote student engagement and well-being.
2. Prepare ALL students for Post-graduation success.
3. Improve academic achievement and growth of ALL students.
4. ALL students have equitable access to a high quality education.

**Graduation rate for CTE concentrators for 22/23 SY = 98%
(21/22 SY=97.8%)**

Participation in Career Technical Education(CTE) and Concurrent Enrollment(CE) in DCSD

Career and Technical Education in 2023-24 SY:

- School Programs 70 (52 in 2022-23)
- Seats Taken 14,629 (10,329 23-24 sem 1, 11,932 in 2021-22) (5648 in 2017-18)
- Certifications 717 (526 in 2021-22)
- WBL Opportunities 357 Business Partners (25% increase over 2022-23)

Concurrent Enrollment in 2023-24 SY:

- Total Classes 179 (150 in 2022-23)
- Seats Taken 10,381 (8,092 in 2022-23)
- Tuition Dollars Saved *6.0 M (4.7 M in 2022-23)

ASCENT in 2023-24 SY

57 (33 in 2022-23)

*Projected tuition saved 23/24 based on IC roster pulls and ASCENT/TREP documentation.

What might the increases be attributed to?

- Coordinated HS Schedule
- Opening Legacy Campus
- Access to transportation for Legacy
- Better Communication/Outreach
 - about various programming options (CTE/CE Guidebook)
 - between buildings to serve students and schedules (CTE Tours)
 - with parents/staff about opportunities available to their students (Expo, Tours)
- Renewed/increased sense of connections between college/career.
Not “college OR career”, it’s “college **AND** career”
- “Value add” and “win/win” to system/community
 - Tuition Savings/Stackable Programming
 - “School District” not a “District of Schools”
 - Additional Options for Students (Most important)

Access to Opportunities for ALL Students

	Enrollment 9-12 (SY 22-23)	**In- District CTE Participation Semester 1 only (Last year included both S1 & S2)		1+ CTE*	Dist. CTE %
	16,948 (17,244)			5205/S1 (7921 S1&S2)	30.7% (45.9% S1&S2)
Fed Race CODE	Sub Population	Student Count	District %	CTE Count (S1)	CTE % (S1)
1	Hispanic	2617 (2568)	15.4% (14.9%)	843 (1200)	16.2% (15.1%)
2	American Indian	68 (75)	0.4% (0.4%)	25 (40)	.5% (0.5%)
3	Asian	917 (913)	5.4% (5.3%)	244 (380)	4.7% (4.8%)
4	Black	266 (258)	1.5% (1.5%)	90 (121)	1.7% (1.5%)
5	Pacific Islander	27 (28)	.2% (0.2%)	13 (16)	0.2% (0.2%)
6	White	12,089 (12,531)	71.3% (72.7%)	3680 (5754)	70.7% (72.6%)
7	Multiracial	964 (871)	5.6% (5.1%)	310 (409)	6.0% (5.2%)

Access to Opportunities for ALL Students

Enrollment 9-12 (SY 22-23)		Students in 1+ CTE*		District CTE % Participation
16,948 (17,244)		5205 / S1 (7921 S1 & S2)		30.7% / S1 (45.9% S1 & S2)
Sub Population	District Student Count	District %	School CTE Count	CTE %
Free/ Reduced Lunch	2374 (953)	14% (5.5%)	707	13.5%
Gifted	2525 (2480)	14.9% (14.4%)	749	14.4%
ML**	431	3.1%	141	2.7%
FELL	624	2.9%	191	3.7%
SPED (IEP)	1844 (1758)	10.8% (10.2%)	607	11.7%
504	910 (1200)	5.6% (7.0%)	249	4.8%

Programs and Pathways Available

*2023 - 2024 Guide to Career and Technical Education,
Concurrent Enrollment, and Other Programs*

CTE Pathways across the District: (In Addition to Legacy)

Agriculture – Animal Science and Natural Resources

Auto Tech

Business and Marketing

Construction

Criminal Justice

Engineering

FACS – Education, Design, and Hospitality/Foods

Health Sciences – Biotech, Sports Medicine, Medical Forensics

Info Tech – Coding, Networking, Cyber Security

Media Arts: Multimedia, Photo, Filmmaking

Manufacturing – Welding

Public Safety – Fire Science /EMT

Pathways in action:

Hands on,
real world learning

Anatomy of a CTE Program:

Career and Technical Education is a special designation awarded to programs that meet national requirements by state standards.

State Approved CTE Program

Specially Credentialed Teacher with Industry Experience

Program of study:

a clear progression of learning that leads to high skill, high wage, and in demand careers aligned with postsecondary pathways.

Advisory Committee:

Committee that advises and guides a CTE program. Industry members and special population reps ensure the program is rigorous, responsive, and relevant to industry.

Career and Tech Student Organization [CTSO]:

Supports leadership development and application of skills in real world scenarios for students. Each CTE pathway has a designated CTSO.

Work-based Learning:

Experiences that move from Learning about Work to Learning through Work. Students explore careers first-hand and make informed decisions about the future.

Finding the right path for the future:

CTE programs help students design a pathway for the future to meet their goals and aspirations.

**PHS Auto + CHS Marketing/DECA
= Auto Design Engineering**

Student: Makaye Coquet

Learning today and preparing for the future:

Advanced Cosmetology Students: Allison Mangels Eliza Gonzales

Students from our CTE programs:

**Legacy Campus Student
Ellis Brown
Future Educator Pathway**

DCSD Legacy Campus

Our mission is to cultivate a Career & Technical Education environment where post-secondary and industry partnerships provide relevant learning opportunities for high school students and the Douglas County community in order to ensure a competitive advantage and workforce readiness.

2023-2024 DCSD Legacy Campus Pathways

Advanced Robotics- Credit through Arapahoe Community College

Architecture- Credit through Arapahoe Community College

Aviation-Credit through Metro State University

Building Controls Technology- Credit through Arapahoe Community College

Certified Nurse's Assistant (CNA)- Credit through Arapahoe Community College

Culinary & Hospitality-Credit through Metro State University

Emergency Medical Technician (EMT)- Credit through Arapahoe Community College

Future Educators/Teachers- Credit through University of Colorado Denver

Secure Network Technologies- Credit through Arapahoe Community College

Enrollment by Pathway

Aviation

70

Aviation fundamentals and Flight sim I
10 students engaged in flight training

Future Ed.

36

Students are placed in 19 DCSD
elementary schools this fall.

Culinary

35

ProStart 1 first semester / ProStart 2
second semester / ServSafe food
handler certification

BCT

21

Building Controls Technology.
Students are building industry
sponsored Electrical Trainers

SNT

15

Preparing for CCST-Networking,
CCNA, and AWS Cloud Practitioner
Certifications

EMS/EMT

35

Clinicals in the spring and CO
EMT Exam after graduation

Architecture

41

Students are drawing to scale and
building models to scale as well as
modeling in 3D with Sketchup

Advanced Robotics

16

Students are learning industry
standard automation technology, as
well as preparing for competitions.

CNA

72

4 cohorts of 18
(36 per semester)
Clinicals start in November

BRIDGE PROGRAM AT LEGACY CAMPUS

CELEBRATIONS

- students/interns are learning employable skills in a "real world" setting
- students/interns continue to meet and exceed our expectations
- students are experiencing new challenges such as on the job problem-solving, customer service skills, food and drink preparation, work routines/procedures, etc.
- students are learning, having fun, and growing into employable, happy/healthy young adults with a bright future
- **AMAZING STAFF:** Mrs. Audra, Chef, Jose, officer Mark, entire security staff, the events staff, office and support staff and Julie and Emily, and Mr. Catto!

ADVANCED ROBOTICS/AUTOMATION

FALL SEMESTER

SPRING SEMESTER

YEAR 1

*CTE Robotics &
Automated Systems
*ACC-ELT 1206
Fundamental DC/AC

*These classes are double-blocked so students need to register for both classes to be taken concurrently (unless taking CTE Robotics & Automated Systems at their home high school).

ACC-ELT 2455
Fluid Power

Students can register for one or both of spring classes.

ACC-ELT 2367
Intro to Industrial Robotics

Students need to take ELT 1206 before ELT 2367.
There is no prereq for ELT 2455.

YEAR 2

Tentatively ACC-ELT 2254
Industrial Wiring
Courses TBD for 2024-25 SY

Tentatively ACC-ELT 2252
Motors & Controls
Courses TBD for 2024-25 SY

Typically, year 1 = 11th grade, year 2 = 12th grade, year 3 = ACSENT enrollment

Industry Certifications: SACA Electrical, SACA Robotics, Snap-On Multimeter, Snap-On Hand Tool Recognition

BUILDING CONTROLS TECHNOLOGY

FALL SEMESTER

SPRING SEMESTER

YEAR 1

ACC - ELT 1206
Fundamental DC/AC
(in-person @ Legacy)

ACC - ELT 2254
Industrial Wiring

AEC 2520 Building
Environmental Systems I -
Remote Real Time with ACC
Faculty

ACC - ELT 2252
Motors & Controls

AEC 2520 may be offered
in the evening - TBD.

These spring classes may be
offered in the evenings - TBD.

Future courses include:

AEC 1520 Construction Materials and Systems
HVA 2059 Commercial HVAC System
ENG 1031 Technical Writing
MAT 1150 Technical Mathematics
ACC 1039 Budget Management

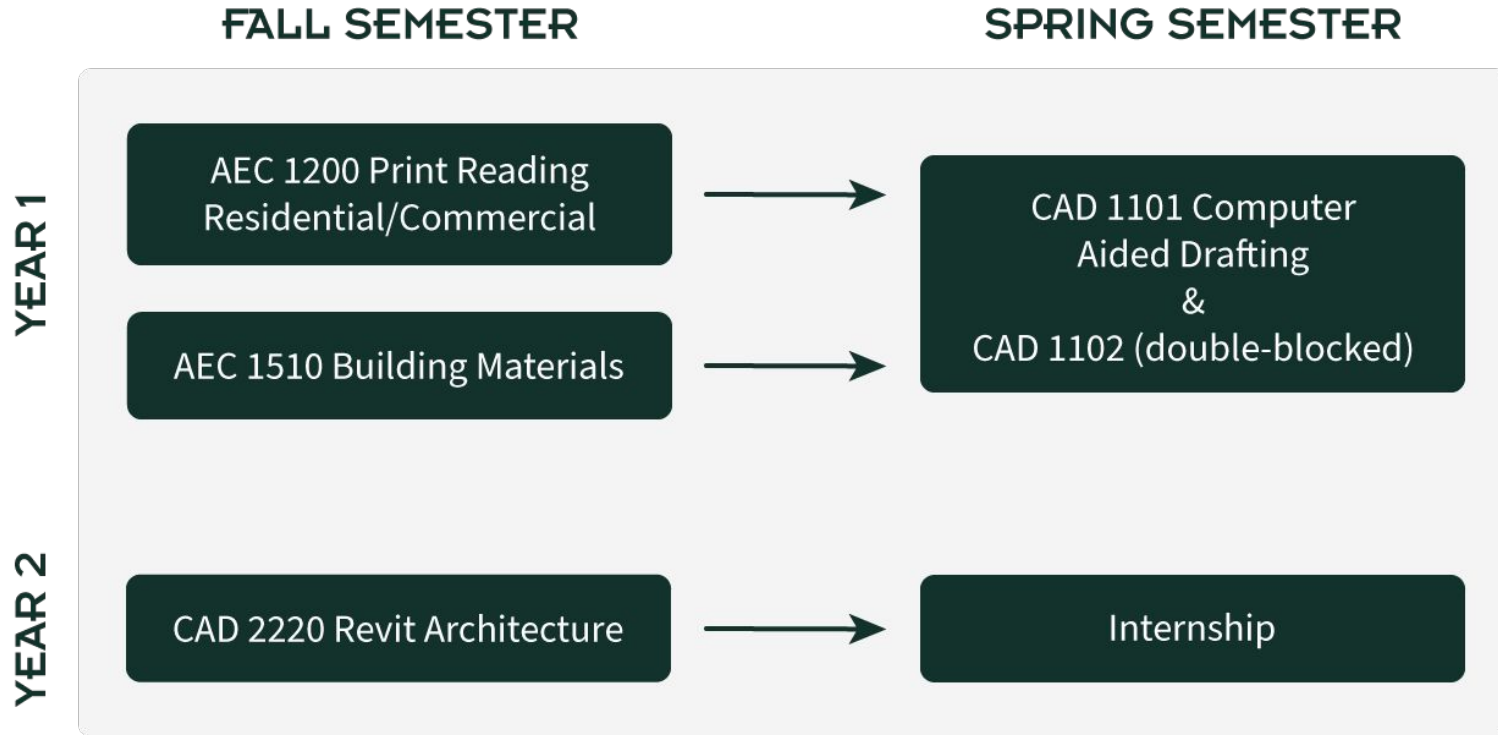

Typically, year 1 = 11th grade, year 2 = 12th grade, year 3 = ACSENT enrollment

Industry Certifications: Greenlee Multimeter, Greenlee Hand Conduit Bending, SACA Electrical

Partners/Sponsors/Advisory Board Members

ARCHITECTURE

Industry Certifications: AutoDesk Certified Professional in AutoCAD

Partners/Sponsors/Advisory Board Members

Cunningham

AVIATION - PILOT

FALL SEMESTER

SPRING SEMESTER

YEAR 1

MSU AES 1100 Aviation
Fundamentals
(double-blocked class)

MSU AES 1710 Instrument
Flight Simulation I
&
MSU AES 1400
Aviation Weather

Students need to register
for both classes to be
taken concurrently.

Students should register for both semesters if pursuing the **MSU Private Pilot Concentration**. However, students can also take Fundamentals alone, or work on their flight hours independently before completing the sequence.

YEAR 2

*Tentatively MSU - AES 2120
Instrument Fund I
Courses TBD for 2024-25 SY*

*Tentatively MSU - AES
2710 InstFlight Sim II
Courses TBD for 2024-25 SY*

Students need to complete their first solo flight (at a local flight training center) to be eligible for AES 2120 & 2710.

Industry Certifications: Preparation to sit for Private Pilot License Exam

Partners/Sponsors/Advisory Board Members

Advisory Board Members work for some of our industry's leading companies, such as:

CERTIFIED NURSE AIDE (CNA)

FALL/SPRING SEMESTER

ACC - NUA 1001
Nurse Aide Health
Care Skills
&
ACC - NUA 1070
Nurse Aide Clinical
Experience
&
ACC - NUA 1071
Advanced Nurse
Aide Clinical

Industry Certifications: Preparation for Certified Nurse Aide Certification Exam (NNAAP)

Partners/Sponsors/Advisory Board Members

ADVANCED CULINARY & HOSPITALITY MANAGEMENT

FALL SEMESTER

SPRING SEMESTER

YEAR 1

ProStart I MSU - RST 1550
Food Fundamentals

ProStart II MSU - RST 2550
Food Fundamentals

Students should register for both semesters to participate in ProStart & FCCLA.

YEAR 2

ProStart Youth
Apprenticeship

DU - Intro to Hospitality
Management

Students must take ProStart I prior to ProStart II, whether at Legacy Campus or at their home high school. DCSD students must take ProStart I at their home high school (if it is offered there).

Industry Certifications: National Prostart Certification, ServSafe Food Handler, Servsafe Manager, ServSafe Food Allergens

Partners/Sponsors/Advisory Board Members

EMERGENCY MEDICAL TECHNICIAN (EMT/EMS)

FALL SEMESTER

ACC - EMS 1021 EMT
Fundamentals
&
ACC - EMS 1023 EMT
Trauma Emergencies

SPRING SEMESTER

ACC - EMS 1022
Medical Emergencies
&
ACC - EMS 1024 EMT
Special Considerations

Students will take two courses per semester on a double-blocked period all year to complete the EMT sequence.

ACC - EMS 1070 EMT CLINICAL

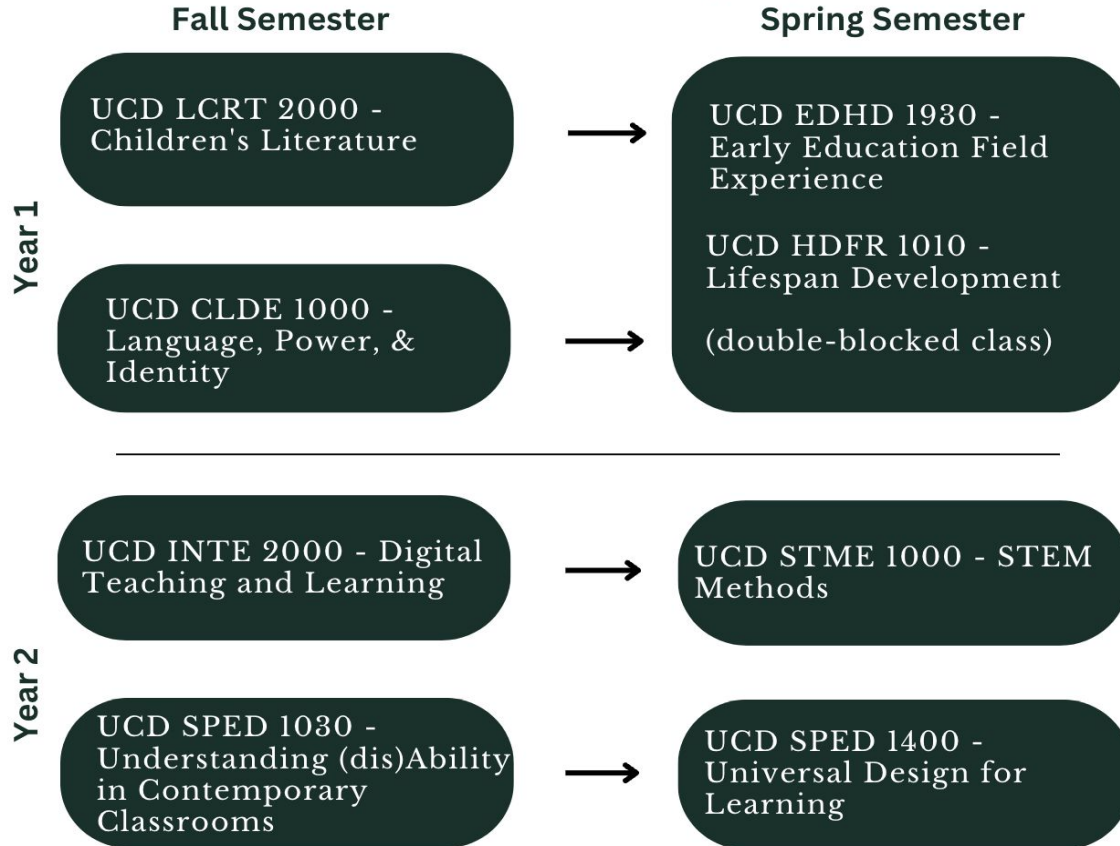

Students will schedule clinicals with ACC faculty at varying times after turning 18 during the course of the year.

Industry Certifications: CPR/BLS Certification, Preparation for Emergency Medical Responder Certification

Partners/Sponsors/Advisory Board Members

FUTURE EDUCATOR

*Additional Field Placement Internship opportunities in Year 2 with successful completion of the Year 1 Field Experience.

Partners/Sponsors/Advisory Board Members

SECURE NETWORK TECHNOLOGIES

FALL SEMESTER

ACC CNG 2060 — CISCO
Network Associate I
&
ACC CNG 2061 — CISCO
Network Associate II

SPRING SEMESTER

ACC CNG 2062 — CISCO
Network Associate III
&
ACC CNG 1042 Introduction
to Cloud Computing

Industry Certifications: Amazon Web Solutions Cloud Practitioner, CISCO Certified Network Associate

Partners/Sponsors/Advisory Board Members

Highlights

- Phase I Construction is *almost* finished!
- 36 Future Educator Students in field placement in elementary schools
- Culinary Students working the Denver Food & Wine Festival
- 2 students' college tuitions scholarshiped through a private donor
- Cafe is open and run through our DCSD Bridge Program
- Hosting the A4LE Conference in December
- Several district, state and national events hosted by our events team (nobel prize speaker, CHSAA, foundation gala)

Highlights

- 2 Grants from the Foundation for DC Schools - aviation & robotics
- 3 SNT students doing tech support WBL at Legacy!
- 36 CNA students in clinicals and will be taking the Colorado CNA Exam in December
- Multiple Donors Choose Grants (4)
 - Future Educator Children's Literature library
 - Tools/Electrical Trainers for Building Controls Technology Pathway
- Architecture students have completed a total bedroom remodel project in SketchUp

Timeline

Recruitment & Registration

Visit all DCSD high schools, CTE Nights/Expos, host open houses, marketing, website development, finalize courses & course guide, student applications and selection, rostering students

Pathway evaluation & updates

Solicit feedback from stakeholders (advisory members, high schools, students, parents), identify expansion opportunities, start new courses in January (possibly planning our Phase II build)

Awards Night, Orientation & Internship Placement

Celebrate industry certificates and students moving into the workforce and collegiate pathways, orientation nights for new students, seek placements for senior interns, prep for youth summer camps

Future DCSD Plans

- **Auto Tech Program NW side of District**
- **Behavioral Health**
- **Air Force JROTC program at Chaparral HS**
- **Aerospace Pathway**
- **Enhance CTE Offerings to be Accessible for All Students**
- **Creating Greater Access/Visibility through Infinite Campus**
- **Continue to address Accessibility barriers**
- **ASCENT Expansion**
- **Possible Expansion of Programs at Legacy**
 - PTECH
 - Welding, Electrical and HVAC
 - Big build Construction
 - Advanced Manufacturing
 - TREP with Future Educator

More Information/Future Topics

- **Pathway Expo (DAC Forum)**
 - October 26, 2023 from 6:30 - 8:30 pm at Legacy Campus
- **Regional, State and National Competitions**
 - List of dates will be provided, we will have several student recognitions for you
- **Continued Updates**
 - Enrollments across the district in programming
 - Upcoming open house events
 - Programming additions
 - ASCENT Legislation/Impact to DCSD community
- **Tours with officials from county, region and state**
