CMAS PERFORMANCE LEVELS

Colorado Measures of Academic Success, or CMAS – measure students' mastery of the standards and the complex thinking and other critical skills students need to be successful in school and in life.

For example, scores in English Language Arts **do not** indicate whether a student can read or write but rather their mastery of the academic standards' grade-level expectations.

Performance Level Crosswalk

English Language Arts and Math	Science and Social Studies
Exceeded Expectations*	**Distinguished Command***
Met Expectations*	**Strong Command***
Approached Expectations	Moderate Command
Partially Met Expectations	Limited Command
Did not yet meet expectations	

*On track for next grade level or college and career ready in content area
