

**District Career & Technical Education (CTE) Pathway Proposal: Culinary & Hospitality**

The Career & Technical Education (CTE) Pathway proposal must be submitted to the CTE Coordinator for prior approval and must include the following information:

**Name of State approved (CCCS) CTE Program: FACS**

*Pathway Name:* **Culinary & Hospitality Management**

*Sub-Pathway Name:* **Hospitality and Food Production**

*Credit Type(s):* **PRA, ELE**

*Department Code:* **FACS**

*CIP Code:* **190599**

**I. GOALS**

**A. Provide a brief overview of the CTE Pathway.**

DCSD is partnering with ProStart and the Colorado Restaurant Association (CRA) to offer students a pathway in culinary arts, restaurant / hospitality management and business economics curriculum to juniors and seniors, and provides high school and college academic credit, industry certifications, scholarships and paid work experience opportunities to students. This concentration is designed for those planning a career as a professional chef or hospitality professional or interested in learning more about these opportunities. Students will get time in professional work environments and can compliment course work with independent assignments with local industry partners.

**B. How does this CTE Pathway fit into the overall educational program?**

CTE programs significantly increase not only the high school graduation rate, but also results in a higher percentage of students going to college and persisting through graduation. Students taking both academic and technical courses have lower dropout rates and better achievement gains than other students.

**C. What benefits would students receive from this CTE pathway?**

This pathway will provide students entry level exposure to some of today's top professional careers and allow students to attain skills which are relevant and desired by the Culinary Arts and Hospitality industry. ServeSafe certification, onsite work based learning in our market place and live catering experiences will be available through the Culinary & Hospitality Pathway. Metropolitan State University of Denver will give discounted tuition rates and college credit for classes attended at Legacy Campus.

**II. CAREER & TECHNICAL EDUCATION (CTE) PATHWAY COURSES**

A. Complete the table below indicating the course sequence students would take within the CTE program. Other courses may be added or changed within the program, based upon the need of students or program modifications.

*New course names will be indicated in red text.*

State Approved Course Name:	State Approved Description:	Credit Type	Course Number
