Kim Brust  
Parent/Community Member Region: Highlands Ranch  
Completing term due to a resignation

Tell us a little about yourself and your connection to the Douglas County School District.

- My family moved to Parker in 1991. I attended Parker Junior High and Ponderosa High school. I lived in Parker until 1997, went to college and came back and settled in Highlands Ranch. My husband attended different elementary schools and High School in Highlands Ranch. We have two kids that attend Northridge Elementary school, in the 2<sup>nd</sup> and 4<sup>th</sup> grade next year.

Why are you interested in serving on the Mill Bond Oversight Ad Hoc Committee?

- I would like the Douglas County school district to be a top district/amenity again with both teachers and families. To be knowledgeable with where and what money is going to certain projects and how the outcome is. To be a voice for the community and keep it all transparent.

What expertise do you feel you could bring to the Mill Bond Oversight Ad Hoc Committee?

- In my professional career, having been on multiple committees where you must keep detailed records of what is going on and where money is spent gives me great knowledge of accountability. Keeping trust and confidence in what was said and promised to those who contribute is a high priority and that is something I deal with daily.
