# 2022 CMAS - Growth

# 2022 CMAS - Participation

# Literacy Update

- During the Spring 2023 semester, we offered a total of 10 sessions for training trainers on Wonders, and 8 sessions for Benchmark, and had almost all schools represented.
- On July 31, we offered an optional training for new teachers for Wonders and Benchmark, and had a total of 100 teachers in attendance.
- On September 22, we will be training all applicable special ed providers, special ed coordinators, and interventionists on WonderWorks and Benchmark Phonics Intervention Kits
- 4 middle schools (Mesa, Cimarron, Ranch View, and Rocky Heights), 33 teachers, 4 Gifted and Talented Facilitators, and 6 ELD teachers are participating in the **StudySync** pilot.
- Two Introduction to StudySync professional developments were hosted on July 25th and August 2nd.
- READ Act Teacher/Administrator Training
  - 98% of K-3 teachers have completed the required READ Act Teacher Training for the 23-24 school year.
  - Updated K-12 READ Act teacher training is now available- [link](#)
  - READ Act Administrator training will become available August 10th- [link](#)

## Next Steps

- Colorado Department of Education releases preliminary School and District Performance Frameworks
- Staff presents EOY i-Ready Data Snapshot (September)
- Staff presents Spring Data Summary (October)
- Performance Framework Ratings finalized by State Board of Education (November - December)
- Staff presents Performance Frameworks Summary (January)

A photograph of a graduation ceremony. In the foreground, a group of graduates in blue and white gowns are seen from behind, many with their arms raised. Numerous blue graduation caps are flying through the air, scattered across the frame. The background is a bright, clear blue sky with a soft white glow on the right side, suggesting a bright sun. The overall mood is celebratory and hopeful.
